

## PROTEST SAFELY

*We are committed to nonviolent action.*

*We expect all participants to treat one another with respect, seek to de-escalate any potential confrontation with those who disagree with our values, and to act lawfully at these events.*

- **Do not engage** with counter-protestors. Drown them out with chants or **completely ignore them**.
- Stay aware of exits, surroundings, and crowd energy.
- Stick to the sidewalks and **do not walk/stand in the road**.
- **Never protest alone**. Stick with a group or a buddy if you can.
- If needed, calmly film incidents with counterprotesters or police. **Do not narrate**.
- In the unlikely event that police detain someone, calmly link arms and chant: **“Let them go”**
- Write **NLG’s** (National Lawyers Guild) number on your arm (206) 658-7963 for free legal support.

## WHO WE ARE

More than anything, we are ordinary people - like you. We are your neighbors who care deeply about our country and the trajectory it is currently on. We believe in collaboration, community, and the power of "We the People." In South Kitsap county, Indivisible Port Orchard and Evergreen Resistance Kitsap come together as volunteers to plan and execute days of action in Port Orchard in response to attacks on our rights, our schools, our environment, and our Constitution.

We hope you'll join us!

### OUR BELIEFS

- We are here to **peacefully** protest for democracy.
- We support fair checks and balances in government.
- We demand the immediate release of free-speech prisoners and those wrongfully deported.
- We support the inalienable rights of immigrants, LGBTQ+ individuals, and political opponents.
